Mariner Software

I cannot see how to start a document with a page # other than "1"? I want to start with page 12.

Jim Henson - 2024-05-04 - Mariner Write

I cannot see how to start a document with a page # other than "1"? I want to start with page 12.

To start a document using a page number other than 1:

1. Go to Page Setup.

2. Select Mariner Write from the Settings: combo box

3. Enter the starting Page number into the Starting Page Number text field, i.e. 12Q: I cannot see how to start a document with a page # other than "1"? I want to start with page 12.

To start a document using a page number other than 1:

1. Go to Page Setup.

2. Select Mariner Write from the Settings: combo box

3. Enter the starting Page number into the Starting Page Number text field, i.e. 12
