## Check out Jeff's Blog!

Jim Henson - 2015-03-24 - in [Contour \(Mac\)](#)

For more movie breakdowns, check out Jeff's blog!

Jeff Schechter, the man behind the content of the Contour system (formally called TotallyWrite), has a blog which we thought might be of value to folks out there interested in seeing examples of how Contour will be able to break down a movie.

If you are interested in Contour, Jeff's blog is a great site to check out... <http://mystorycanbeatupyourstory.com/>
