Is there another way to put stuff into the program?

I don't have a scanner. Is there another way to put stuff into the program?

Jim Henson - 2018-12-17 - Importing Library Items

I don't have a scanner. Is there another way to put stuff into the program?

Yes. Paperless allows you to import receipts or documents that are stored as PDFs, jpegs, png files, or whatever. Simply choose Import from the file menu or drag and drop the receipts or documents onto the application.
