Mariner Software

If I get a new PC, how do I move my screenplay projects to the new PC?

Jim Henson - 2024-04-25 - Contour (Win)

If I get a new PC, how do I move my screenplay projects to the new PC?

You will simply place the "My Contour" folder that is stored in your user Documents folder on your current PC into the same location on the new PC. Then on the new PC, go to our downloads page and download the program.
