Will my old version 3 serial number work for StoryMill 4 or do I need a new one?

Jim Henson - 2024-03-28 - StoryMill

Will my old version 3 serial number work for StoryMill 4 or do I need a new one?

StoryMill 3.x serial numbers will not work to register StoryMill 4. StoryMill 3 serial numbers start with SM100- and StoryMill 4.x numbers start with SM400-. A serial number starting with SM100- will not work to register StoryMill 4.
